

Specialist Manufacturer of Wooden Mantels

High Quality  
100% Solid Wood  
Hand Made in England  
Look for our Plaque of Distinction

## Look for the sign of quality

**Accept no imitations** - Every mantel piece available from Knapp Woodworking has been hand made in England, by our highly talented craftsmen utilizing both traditional methods and modern equipment. Due to this unique trait we deemed it necessary to identify every stunning mantel piece to you with a plaque of distinction. This plaque can be found on the back of every mantel piece as shown in the image above.

You can be assured that when you buy a mantel piece with this plaque you are buying something which has been hand made in England from 100% real wood and to the highest possible standards of quality.
